

# Pre-K Small-Talk

## It was a Great Year!!!

We had a very busy year of learning, playing, and having a good time, but now the year is already over. We wish good luck to our students moving onto kindergarten and we can't wait to have another great year with our returning students as well as all of our new friends!

It's  
all about  
Pre-K

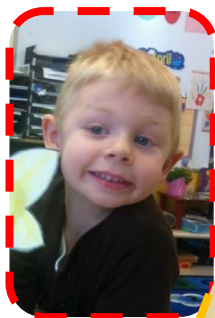

SMILE!

We spent our year learning colors and numbers in Spanish, tasting new foods like pomegranates and avocados, making lemonade and icing, building tall buildings, singing and dancing, dressing up in every princess dress possible, reading new books, planting squash and watering trees in our Outdoor Learning Center, making a bunch of new friends and so much more.

Thanks to our volunteers—Mr. Mike, Ms. Theresa, Ms. Neltner, Mrs. Pat & Ms. Murphy—we really appreciate all of their time.

As you can see, we were very busy. If you'd like to keep up with some of our activities when school starts back up in August, in-between issues of our Pre-K Small-Talk, you can check us out on our Facebook page at <https://www.facebook.com/pages/StJoseph-Camp-Springs-Pre-K-Program/444928982348316>. Share the link with your family and friends! You can also view our website at [www.stjosephcampsspringschool.com](http://www.stjosephcampsspringschool.com).

We hope you enjoy our pictures!

In case you missed it, we had our first ever Summer Blast! We "traveled" to Washington D.C., Kentucky, Florida, and Hawaii. We made post-cards, spent a lot of time in the water, watched a horse race, road in a boat, went to the beach and so much more.
