Re: Ash Street Pump Station and Force Main Project Public Meeting

Dear

The Kentucky Division of Water (KDOW) will be hosting a public meeting on Tuesday, Oct. 15 to discuss the Ash Street Pump Station, Force Main and Gravity Sewer Project, which was recently approved for construction by the U.S. Army Corps of Engineers. The meeting will begin at 7 p.m. at the Alexandria Courthouse located at 8352 East Main Street in Alexandria, KY.

The public will be given the opportunity to provide formal comments about the project at the meeting. If you are unable to attend, you may submit your comments to SD1 at 1045 Eaton Drive, Ft. Wright, KY 41017, Attention: Emily Leisl, or to info@sd1.org until Oct. 30, 2013. SD1 will compile all comments and forward them to KDOW for review.

If you have any questions about the project or the scheduled public meeting, please do not hesitate to contact me at 859-547-1656 or rschroeder@sd1.org.

Sincerely,

Robert G. Schroeder
Senior Project Manager

CC: Steve Pendery, Campbell County Judge Executive
Robert Horine, Campbell County Administrator
Neal Bedel, Mayor of Silver Grove
